TC 208 SLOPE STABILITY and Bulgarian SSMGE

jointly organize the following workshop as part of 30th EYGEC 2027, Sofia, Bulgaria

Workshop – Slope Stability in Engineering Practice

📍 **Sofia, Bulgaria – Rosslyn Central Park Hotel Sofia**

📅 **Sep 2, 2027**

🗣️ **English**

Description

The ISSMGE **TC208 Workshop – Slope Stability in Engineering Practice** will be held on 2 September 2027 in Sofia, Bulgaria, as part of the **30th European Young Geotechnical Engineers Conference (EYGEC 2027)**, bringing together promising young geotechnical engineers from across Europe and TC208 experts.

Hosted by the **Bulgarian Society of Soil Mechanics and Geotechnical Engineering**, the workshop will provide a platform for TC208 members and experts to meet and discuss recent developments, innovative approaches, and current challenges.

The workshop will take place at **Rosslyn Central Park Hotel Sofia**.
